Thank you for your interest in the Integrated Preschool Programs provided by the Haverhill Public Schools. Our Integrated Preschool Classrooms for 3, 4 year old children enroll up to 15 children per classroom. Integrated classrooms include children with special needs and students who are typically developing. Teams of teachers, assistants, and therapists are always providing motivating, developmentally appropriate, and exciting learning experiences for your children. The curriculum is developmentally appropriate, challenging and based on the Massachusetts Curriculum Frameworks. We believe that an inclusive education provides all children with the opportunity to learn with and from each other. All applicants for our preschool classrooms must be at least 3 years old by August 31st to begin school in September. If space is available children are invited to apply to the program when they turn three during the school year.

Tuition payments are due on the 1<sup>st</sup> day of the month. You can pay monthly, bi-annually or annually. We accept only checks made payable to the Haverhill Public Schools. Please write your child's name in the memo section. Tuition is \$320.00/month and you may mail payments to the school or pay in person at the main office. Kathy Maille is our school secretary and Heather Azzarito is our school nurse. They both will take good care of your children. If your child will be absent, please make sure to call the school before 9:00 a.m. Moody School has an open door policy and we welcome your visits, comments and/or suggestions.

Sincerely, *Mrs. Maureen Gray, Director*
