

## **Accessing Atlas Rubicon Haverhill Public Schools Curriculum Maps**

1. Go to Haverhill Public Schools website. (Safari, Firefox, Chrome, or Explorer) Click on Resources, then staff and then click on Atlas Rubicon. Note: Create a bookmark for this page.
2. Click on the arrow next to name and find your name in the drop down list.
3. *First time user*: Enter default password “**connect**” and then click login.  
**Note:** You will be prompted to change your password when you first log in.
4. Getting started: Click on the browse tab at the top. You will see the maps listed in alphabetical order by course. Use the filter on the left to narrow the list. **Note:** It is not necessary to use all fields in the filter. For example, you can filter for a specific grade or a specific subject
5. From the browse page, click on a course to see the map. The unit calendar, which outlines scope and sequence, will appear.
6. Click on a unit title to see map specifics, which include standards, essential questions, content, skills, assessments, and resources.
7. For additional information, including tutorial videos, click on the “References” tab.

*Questions or concerns:*
