TECHNOLOGY + READING = READING MOTIVATION!

Haverhill Public Schools K-8 students:

Accelerate YOUR Reading Levels
ALL SUMMER & ALL YEAR with

RDI Accelerated Reader!

Accelerated Reader complements library book reading with a fun online quiz!

1) Carefully read almost any K-12 library book from the Haverhill Public Library; 200,000 library book quizzes are in the database!

2) Then, go to the Haverhill Public Schools (HPS) Launchpad, scroll down to the RDI icon on the bottom left; and login with your own HPS user name & password.

3) Search for the book by title or author, and take the online quiz! You may look back in the book if needed. Try to score 100%!

4) Read more & see your "bookshelf" listing all the quizzes you took! **Keep reading to see your reading proficiency increasing!**

Technology Notes: *You may read and quiz online from any computer, tablet or smartphone!* You must know your HPS User Name and Password. You have three tries to login. If you get a message that you are locked out, email Dr. Hagerty at erin.hagerty@haverhill-ps.org to request your correct User Name and Password and to unlock your account. Consentino students may email Mrs. Roffo at rroffo@haverhill-ps.org. For each quiz, you get one try to pass, so look carefully in the book for the correct answers!

TECHNOLOGY + READING = READING MOTIVATION!
