

Course Flow Chart 2017 - 2018

➤ All HHS students, regardless of their Academy, may take any math courses offered, provided they have met the prerequisites.

** For Grade 8 Advanced Math students ... Results from district-wide end-of-course & benchmark tests, MCAS/PARCC, and MAP will be reviewed. Then, those students who have met the criteria will be changed from Algebra I to Geometry honors for their freshman year.
