

# RIVERSIDE BRADFORD

IS PROUD TO INTRODUCE:

## BAMBINO BUDDY BALL

### What is Buddy Ball?

Riverside Bradford's Buddy Ball Division is in its inaugural season and is open to all children and young adults ages 5-21 with varying physical and cognitive disabilities. Each player will be assigned a volunteer "buddy" to help with fielding, hitting, and base running.

### Our Goal

Our primary goal is to allow ALL children the opportunity to play as part of a team regardless of their physical or cognitive abilities. Buddy Ball will focus on increasing self-esteem, confidence, and building meaningful relationships in the community.

### Season

Buddy Ball will meet on Sunday afternoons for 8 weeks starting in the spring of 2017. Players will have a 30-minute guided warm-up followed by a 60-minute non-competitive and highly structured baseball game at one of our Haverhill fields, with possible travel to neighboring towns.
