MOODY PRESCHOOL PROGRAM

Moody School's Integrated Preschool Program is an NAEYC Accredited Public Preschool. Our Preschool classrooms for 3 and 4 year old children enroll up to 15 children per classroom. And include children with and without special needs. Teams of teachers, assistants, and therapists are always providing motivating, developmentally appropriate, and engaging learning experiences for children.

The curriculum is developmentally appropriate, challenging and based on the Massachusetts Curriculum Frameworks. We believe that an inclusive education provides children with the opportunity to learn with and from each other.

All applicants for our preschool classrooms must be at least 3 years old by August 31st to begin school in September.

New Student appointments begin January for enrollment in September.

Call the Moody School office to schedule an appointment.

NAEYC Accreditation

High-quality programs provide a safe and nurturing environment while promoting the development of young children. NAEYC-Accredited programs show their quality by meeting the NAEYC Early Childhood Program Standards, which are based on the latest research on the education and development of young children.

All NAEYC-Accredited programs must:

- Promote Positive Relationships
- Implement a curriculum that fosters all areas of child development
- Use developmentally, culturally, and linguistically appropriate and effective teaching approaches.
- Provide ongoing assessments
- Promote nutrition and health
- Employ highly qualified teaching staff
- Establish and maintain relationships with families and the community.
- Implement strong policies so all families have a high-quality experience.
