

Community Choice Acute Care Hospital Listing

Effective July 1, 2017

When you use a Community Choice hospital, you pay a \$275 inpatient copay per calendar quarter. Community Choice members can also use additional hospitals for the same \$275 copay for certain complex procedures and neonatal ICUs. To look for hospitals, go to unicarestateplan.com and, under the *Quick Links* tab on the *Members* page, select *Look for health care providers*.
