Marvin, Beatrice and Paul Brindis Scholarship Fund

Terms of the will of Beatrice Brindis pertaining to the Marvin, Beatrice and Paul Brindis Scholarship Fund

Article 2.

I give and bequeath to the SCHOOL COMMITTEE OF THE CITY OF HAVERHILL, Massachusetts, the sum of Two Hundred Fifty Thousand (\$250,000.00) Dollars. This money is to be held, kept, invested, and reinvested as a separate and permanent fund for the establishing of a scholarship fund, to be known as the "Marvin, Beatrice and Paul Brindis Scholarship Fund". Ten (10%) Percent of the net income shall be added to the principal each year. The balance of the income from said fund shall go annually toward defraying costs of tuition, and other necessary school expenses of a deserving member or members of the graduating class of Haverhill High School. Said recipient is to be determined and chosen on the basis of character and scholastic achievement and is to be selected by the Haverhill School Committee in their uncontrolled discretion.

It is the donor's wish that the income from this Trust be used to supplement other sources available to a particular student. Although need may be a consideration, a student shall not be disqualified merely because he/she or his/her family are financially able to assist in said student's tuition. If the amount of income is sufficient and if circumstances so warrant it, a full scholarship may be awarded.

Application forms may be obtained from Haverhill High School Guidance Office, 137 Monument Street, Haverhill, Massachusetts 01832.
