

WHERE DID YOU
SLEEP LAST NIGHT?

Are you currently homeless or at
serious risk of becoming homeless?

**We can connect you to resources that
can help you, including a centralized
waitlist for affordable housing!**

The CES staff can help you with referrals to
community and state resources for immediate
assistance.

If you qualify, staff will complete an
assessment with you to place you on a
centralized waiting list for North Shore
CoC funded affordable housing units.

The application process for the housing
waiting list requires an initial appointment to
complete paperwork.
