YWCA CAMP Y-WOOD

A day camp for children ages 5 to 13 Located on Captain's Pond in Salem, NH

Camp Y-Wood is a beautiful 22-acre campground that has picturesque views at every turn. Situated on Captain's Pond in Salem, NH, it is tucked away from the hustle and bustle of the city. When you arrive, the dirt road leads you to the camp.

Our sandy beachfront provides hours of fishing, swimming, and boating as well as other recreational and water activities. The sprawling fields allow us to have sports and games while the "nature" lovers can explore other fields and hike in the wooded areas finding frogs and other forest friends. Plenty of private changing areas, bathrooms, a new main camp building, 2 outdoor covered pavilions and activity cabins are strategically scattered around the property. Swing sets and picnic areas also attract campers throughout the day. We are often told that Camp Y-Wood is the best-kept secret!

It is the summer camp adventure that any parent would want their child to experience. Our unique approach to outdoor fun and adventure leaves children of all ages wanting more. We keep our groups small to ensure individualized care and safety. It's our goal to see that the all campers have an opportunity to make new friends, explore interests, face challenges, build self-esteem and have lots of fun!

Camp Philosophy:

We feel strongly that children want and need to explore and discover at their own pace and in their own way. We set broad weekly themes but we are not limited by them. Sometimes the children "take over" – and we let them. Our options are many!! Below are some of the choices your child will pick from throughout their days at camp.

Nature lovers enjoy hiking through the woods seeing frogs, birds and butterflies just to name a few. Microscopes, magnifying glasses, and nets are available to aid the camper in their discoveries. Sports fans enjoy a multitude of sports & games throughout each day to capture the interest of all the age groups. Kickball, baseball, football, capture the flag, tag, jump rope, hula-hoops, hopscotch, or even a simple game of catch. Swim lessons are part of our daily activities. Children are grouped by Red Cross standards and a swim assessment is completed on each child and a progress report is sent home weekly.

Opening and Closing Ceremonies are part of our traditional daily exercises. This is a very special time for everyone. Opening Ceremonies consist of raising the flag and preparing for the day. Closing ceremonies are full of recognition and sharing before we lower the flag. It is considered a high privilege and honor for campers who are chosen to lead this exercise.

Water Safety: We believe that all children should be educated in water safety and learn how to swim to the best of their ability. Daily "swim buddy" drills, weekly lost swimmer drills and boating and water safety skills are all part of the waterfront program and smaller campers learn to do their part as well.

Campfires: Weekly campfires are a big hit! Notices are sent home in preparation for this event. Olympic Days: Children create their own Olympics and the campers select the events. Preparation to this event is very special for everyone. When the day comes, we celebrate everyone's success.

Scatters: Our afternoons are full of choices. Each counselor proposes an activity that the campers may choose to participate in. (Ages and skills are kept in mind as we make our plans). Your camper can switch activities at the designated time to try them all or if they are engrossed and want to stay that's okay too. We have designed this for optimum flexibility and fun!

Fun Fridays: The campers plan and put together a schedule of events for their fun Friday. Options may include dancing, singing, special games; sandcastle building tournament, frog races, scavenger hunt, potato sack races, piggy back races, building pyramids, the list goes on and on! We build up to this day each week and the special activities are as creative as the children themselves.

Camp Units (8-10 children each)

Children are grouped in a variety of different ways to ensure maximum participation as well as age-appropriate skill development. The major grouping is by age in the following categories: ages 5-6; ages 7-8; ages 9-10; and ages 11-13. Children are also involved in a larger "color group" for camp theme activities. There are times each day when the various "groups" are merged to form broader groups in order to grow camp spirit, share experiences, recognize achievements and create "big brother" and "big sister" opportunities. Team building, life skills, environmental education, swimming and boating are only a few of the activities packed into every day. Campers also enjoy a special events day held at least once a week, featured theme days and "special guests" who share special skills with the children.

Staff:

Camp Y-Wood has excellent camper-to-staff ratios following state guidelines. They are creative, enthusiastic, professionals experienced in the fields of childcare, education, and coaching and all have CPR and First Aid certifications. There is also a full-time First Responder on site each day. Adult staff members remain with their groups throughout the day and assist certified instructors in specialty areas. All staff is subject to criminal background checks.
