Dear Mr. Goldfield,

We would like to take this opportunity to thank you for your business. We hope you are pleased with our work and that you will recommend us to others. If you have any questions or concerns please call either, Jesse Wright or myself.

We are enclosing the Waste Manifests and any additional documentation for the project. These are important records, and should be kept in a safe place in case they are needed at some point in the future.

Once again, it has been a pleasure working for you, and if we can be of any assistance in the future, please do not hesitate to let me know.
