RE: HAVERHILL ELEMENTARY SCHOOLS

This is to advise you, that to the best of our knowledge, no asbestos containing materials were used in the Concord street school in Haverhill.

Should you require any further clarification, please feel free to contact us.

Very truly yours,

Kenneth D. Tarbell
Executive Vice President

Re: New Haverhill Elementary Schools
Asbestos Containing Material

Dear Dr. Esch,

As the architects of the New Haverhill Elementary Schools, HMFH hereby certifies that, to the best of our knowledge, no asbestos containing materials were specified for this project. HMFH is also aware of no asbestos containing materials that were installed in the Haverhill Elementary Schools.

Very truly yours,

HMFH Architects, Inc.
