Building: Whittier

Work Order No: 10264

Date of Submission: 4/6/2001

Location: room#,s 7 &9

Status: Submitted

Type: Carpentry

Description: floor tiles coming up in these rooms. room# 9 has been looked at but the longer it goes the worse it is getting. i donot want this to happen with room #7 . a minor problem is turning into a major job. i hope this can be handled promptly,i know it contains asbestos and that is a major hurtle. please acknowledge.
