Welcome Aboard, Let's Read!

Weekly at the Haverhill Public Library (Registration Required)
99 Main St. Haverhill, MA

The Merrimack Valley Jewish Coalition for Literacy (MVJCL) is excited to announce Welcome Aboard, Let's Read!, a new collaborative program with the Haverhill Public Library. This is a free, secular program that helps children in first, second, and third grade become confident and skilled readers.

Welcome Aboard, Let's Read! pairs your child with a skilled literacy volunteer to help develop increased confidence, reading ability, and love of books. Weekly in-person sessions will take place in the Haverhill Public Library Children's Room, with remote sessions available as well. MVJCL has been helping children for over 19 years in the Haverhill Public Schools.
