Update on JG Whittier School enrollment and potential district lines: Superintendent Marotta.

Superintendent Marotta suggested hearing Dr. Poor's (Consentino School Principal) viewpoint on the potential changes. He offered that the class sizes would be reasonable and that there would be an increase in classes and staff movement. Dr. Poor's focus was on building a cohesive team prior to the opening of the new Consentino School (spring 2026). He requested expedite action by the school committee to allow for proper planning.

Mr. Wood stated that the superintendent's (administration's) recommendation had merit and would make the motion.

Dr. Marotta offered an overview of the possible changes:

- Tilton Upper Grade 4 to Tilton Lower Grade 3 remain at Tilton Lower next year;
- Tilton Upper Grade 4 to Grade 5 Consentino School next year;
- St. James School would be open and relocate the Gateway School Program to allow up to 300 students in the facility (phased in expansion for middle school and high school)
- The Crowell School would transition preschool students to this location, since Temple Emanuel lease will be expiring next year; there may be a need for 2-3 additional classrooms. It would also keep the school open and be potential swing space.
