New Employees shall serve a six (6) month probationary period before becoming permanent employees and during said probationary period may be subject to termination without cause.

When a new position covered by this agreement is created, or when a position covered by this agreement becomes vacant, such vacancy shall be posted electronically via the electronic applicant recruiting site used by the district and will be emailed to all HPS staff. Employees interested shall apply electronically through the applicant tracking site. Notwithstanding the electronic posting, the Union has the right to place a paper copy of the job posting on bulletin boards in work areas. 4. Applicants must submit an updated resume, or supplemental statement of qualifications for all posted positions. The accuracy of this information is paramount and if inaccurate will be used as a basis of disqualification.
5. Any unit member who applies for and is hired into a different position in the district will be required to complete a six (6) month probationary period. During this probationary period, employees will be allowed to utilize their leave benefits that have accumulated prior to their new assignment.
