Re: The Byron B. Hairian Scholarship Fund
Pauline Harian / The Pauline Harian Trust

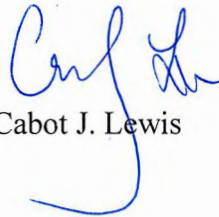

Dear Ms. McGillicuddy:

In 2016, Pauline Harian created *The Byron B. Hairian Scholarship Fund* in the memory of her late brother, Byron B. Hairian. She endowed it with an initial amount of \$20,000 and directed that \$1,000 be awarded each year to a graduating senior who planned to study mathematics at an accredited, four-year college or university.

Ms. Harian died earlier this year (at age 100!) and she included an additional gift to the Scholarship Fund in her estate plan documents. To that end, enclosed please find a check in the amount of \$45,000 made payable to *The Byron B. Hairian Scholarship Fund*, to be held and distributed on the same terms and conditions as all other money currently held in that Fund.

Please let me know if you have any questions. Thank you for your attention to this matter.

Very truly yours,

Cabot J. Lewis

Consentino School Building Project Update.

Dr. Marotta introduced Mr. Stephen Dorrance, Facilities Director along with commenting that the project was on schedule and under budget.

Mr. Dorrance explained it was Hunking with Greenleaf added on to the original building. He noted it was a stacked building (the back part is the academic section) that was saved on utilities. Mr. Dorrance reviewed several photographs with the committee emphasizing the lighting and impressive learning environment along with two courtyards.

Attorney Rosa asked about the completion date.

Mr. Dorrance replied March 18, 2026, however, it might be earlier than that date. He added that. It was a Gold Leaf Certified Building with the potential to put energy back on the grid with a financial benefit. Owner's Contingency @ \$2.8M has been used to create an accessible campus between Consentino and Silver Hill Schools. Builder's Contingency was at \$8.1M which illustrates the well-managed project.

Attorney Rosa inquired about the tear down of the current building.

Mr. Dorrance responded that the south field will be planted with sod in October with a usable field by 2027. He added that once the students have been moved to the new building, the disabling will commence at that time.
