RE: City of Haverhill's Second Amendment to the Project Funding Agreement
Dr. Albert B. Consentino Middle School (MSBA Project No. 201801280100)

Dear Mayor Barrett,

Attached please find the Second Amendment to the Project Funding Agreement between the Massachusetts School Building Authority ("MSBA") and the City of Haverhill ("City") for the Project at the Dr. Albert B. Consentino Middle School. The purpose of the Amendment is revise Section 2.1 of the Agreement and replace the Exhibit A.

The City must mail one original signed copy of the Amendment and the revised Exhibit A to the MSBA, a copy of which will be returned to the City after it has been signed by the MSBA's Executive Director. If the City would like an executed Amendment with original signatures, please return two originals to the MSBA. Also, the City may email a scanned copy of the signed Amendment and Exhibit A to the MSBA in advance of the hard copy original; however, the City must also mail the original hard copy to the MSBA.

Please reference the City's Certification of Legal Counsel that was submitted with the Project Funding Agreement to determine which City governmental officer(s) and/or governmental body has the full legal authority to sign this Amendment to the Project Funding Agreement. If necessary, please consult with local legal counsel to update the Certification of Legal Counsel.

The required documents should be mailed to my attention at the address below:
